Md. Anwar Hosen
General Secretary (BPCC)

▪ Mission & Vision:

Mission: BPCC's mission is to facilitate sustainable social development by advocating for equitable resource distribution, enhancing access to quality education and healthcare, and promoting human values among the underserved population of Bangladesh.

▪ Vision:

The vision of BPCC is to create a society where every individual, regardless of their background, has the opportunity to develop their full potential and lead a dignified life. The organization envisions a Bangladesh where population challenges are effectively managed, leading to improved living standards and a harmonious coexistence.

▪ Target Groups:

BPCC primarily focuses on the following target groups:

- ✚ Underprivileged communities and marginalized populations.
- ✚ Disadvantaged children and youth.
- ✚ Women and girls, aiming to empower them through education and skill development.
- ✚ Vulnerable individuals affected by the population crisis, including refugees and displaced persons.

▪ Core Values:

BPCC is guided by a set of core values that define its approach and actions:

- ✚ Equity: Ensuring fairness and equal opportunities for all individuals.
- ✚ Empowerment: Empowering individuals to take charge of their lives and contribute positively to society.
- ✚ Accountability: Maintaining transparency, responsibility, and ethical conduct in all endeavors.
- ✚ Collaboration: Partnering with governmental and non-governmental entities to maximize impact.
- ✚ Innovation: Seeking innovative solutions to address complex population challenges.
- ✚ Areas Covered: BPCC operates across various sectors and domains to achieve its mission and vision. These areas include:
 - ✚ Education: Promoting accessible and quality education for all, particularly among underserved communities.
 - ✚ Healthcare: Enhancing healthcare access and awareness to improve the overall well-being of the population.
 - ✚ Socioeconomic Development: Empowering individuals through skill training, livelihood programs, and poverty alleviation initiatives.
 - ✚ Human Values: Instilling values of compassion, empathy, and social responsibility among the populace.
 - ✚ Advocacy and Awareness: Raising awareness about population-related issues and advocating for policy changes.

▪ Objectives & Goals:

The main ideals and goals of this organization are the development and change of the social system, including ensuring maximum utilization of the limited resources obtained through the development of education, medical socioeconomic and human values of the people who are left behind in Bangladesh and the development of human power and consciousness.

BPCC's primary objectives and goals include:

- ✚ Population Management: Developing strategies to address population-related challenges while respecting individual rights.
- ✚ Educational Advancement: Increasing educational enrollment and retention rates, especially for girls and marginalized children.
- ✚ Healthcare Enhancement: Improving healthcare facilities and knowledge dissemination in underserved areas.
- ✚ Empowerment Programs: Implementing skill development and vocational training initiatives for youth and women.
- ✚ Social Consciousness: Promoting social awareness and responsibility through campaigns, workshops, and community engagement.
- ✚ Advocacy for Change: Influencing policy decisions to create a more inclusive and equitable society.

▪ Expertise of BPCC:

BPCC has developed substantial expertise in addressing population-related challenges and implementing impactful projects and programs across various sectors. Its key areas of expertise include:

- ✚ Education: BPCC is committed to improving educational access and quality, particularly in underserved communities. It implements programs that enhance school enrollment, reduce dropout rates, and provide skill development opportunities.
- ✚ Health: The organization focuses on enhancing healthcare access and awareness, delivering medical services, organizing health camps, and disseminating health-related information to vulnerable populations.
- ✚ Shelter and Food: BPCC supports initiatives that provide shelter and food assistance to displaced and vulnerable individuals, ensuring their basic needs are met.
